Hi,
We're raising money for Christian Aid Week because it's unjust that drought is driving people into hunger.

Jessica fears her children won't eat tonight. Drought robs her of the power to provide for her family. But with your help we could make sure families like hers can grow drought-tolerant crops that flourish in the changing climate.

Please join us this Christian Aid Week by donating to our e-envelope.

Thank you!

We have generated a QR code for this envelope. This allows people to scan it with a smartphone and go straight to the envelope page to make donating easier!
